

Utah Tech University Library Internal Guidelines & Procedures

Expectations of User Conduct

- 1.1. Library patrons play an important role in creating a welcoming environment for study and research. As such, Library patrons assume the responsibility to conduct themselves in an appropriate manner.
- 1.2. Library staff will provide services to all patrons within the accepted Utah Tech policies and library guidelines and procedures.
- 1.3. The library prohibits any activities or behaviors that create a health or security risk, damage library resources, disrupt the normal flow of library operations, or violate campus policy or state or federal law. Library staff will request the assistance of Utah Tech University Police, as needed.
- 1.4. Library patrons who deliberately attempt to steal, deface, or damage library property will be reported to Utah Tech University Police and/or the St. George Police department.
